Walk lasted between 12:00 and 14:13. Tournament Park was closed.

What a walk! My son Travis returned to the walks after not walking in 2020 or 2021 and we wound up setting a record for the week. We observed 30 species and the previous

record for a week 5 was 27, so we broke it by 3. Travis is welcome back anytime! My favorite bird in the list is the Northern Flicker. Everyone got a good look. So, great walk.
